

POWERFUL POLYMERS
PAINLESS PROCEDURES
RAPID RESULTS

David Park

Inside Sales Manager

A self-described philanthropic entrepreneur, David Park is committed to creating value-driven opportunities that are both scalable and profitable. He has spent the last 15 years developing communities, organizations, and businesses by leading them to discover their full potential, develop a wider vision, and determine the best course of action to achieve their goals.

His work previously as a Business Development Manager in the Dental Laboratory industry helped David gain a unique perspective when it came to creating opportunities that offer value for all parties involved in the process. Influenced by Jeff Bezos and Sam Walton, he aspires to implement solution driven sales initiatives here at Alchemy-Spetec.

As the Inside Sales Manager, David develops and implements all inside sales initiatives within Alchemy-Spetec, as well as provide technical service and solve chemical grouting challenges for customers, contractors, and distributors. Creating optimal, effective, and rapid results is the most rewarding part of being an Inside Sales Manager for David.

In his personal life, David is happily married to his wife Aelim and is a new proud father of their baby girl, Noel. Outside of the office he also enjoys playing sports, serving his local church, and working in the music industry space as a sound engineer, guitarist, and wedding DJ.

About Alchemy-Spetec

The Leak Seal Division

The Alchemy-Spetec Leak Seal Product Line combines a full-system offering of polymer chemical grouts and equipment with perhaps the most experienced technical team in the industry. For any concrete leak seal application, lean on the Alchemy-Spetec team for phone, field, or engineering support. Our growing network of Regional Managers, Independent Representation, and Nationwide Distribution offers industry professionals many levels of opportunity worth discussing with our team. Consultants at Alchemy-Spetec pride themselves on rapid, powerful, and painless scheduling of field and technical support. We invite you to inquire about our bi-annual factory training held at the Tucker, GA-based manufacturing facility where they can learn from the 20+ year average industry experience of our Regional Management and Technical Team.

The Geotech Division

The Alchemy-Spetec Geotech Product Line offers industry-leading quality, full chemical grout lifting rig training and support, and unmatched contractor support in the field and with sales and marketing. Contact us today to learn about the tangible benefits of joining the Alchemy-Spetec network of geotech contractors. The Alchemy-Spetec MixMaster Pro Gun is a maintenance and production cost-saver for any lifting contractor, while the flagship lifting foams have helped many contractors reduce volume usage while eliminating call-backs. From the Polybadger machine that fits into a pickup truck, to custom boxtruck and trailer rig buildouts, Alchemy-Spetec is widely considered the premier geotechnical chemical grout & equipment supplier. With the additions of ground penetrating radar and penetrometer equipment and support, Alchemy-Spetec is truly on the cutting-edge of the chemical grouting industry.
