

POWERFUL POLYMERS
PAINLESS PROCEDURES
RAPID RESULTS

Erik Prinzing
Midwest Regional Manager

Erik Prinzing is a driven sales professional with over 20 years’ experience in the construction sector. He’s worked in many parts of the industry, from new construction to remodeling both residential and commercial buildings.

Over the years Erik has become well rounded in construction practices, with experiences ranging from working in the field as a contractor to assisting customers

as a regional manager in the water, vapor and air barrier industry. He has designed and implemented many sales and installer training programs to excel contractor growth in both sales and production. With considerable time focus on eliminating call back. He has developed a great many strong relationships within the industry. Through his drive, experience, and leadership, Erik has proven himself an asset to countless professionals in the field.

About Alchemy-Spetec

The Leak Seal Division

The Alchemy-Spetec Leak Seal Product Line combines a full-system offering of polymer chemical grouts and equipment with perhaps the most experienced technical team in the industry. For any concrete leak seal application, lean on the Alchemy-Spetec team for phone, field, or engineering support. Our growing network of Regional Managers, Independent Representation, and Nationwide Distribution offers industry professionals many levels of opportunity worth discussing with our team. Consultants at Alchemy-Spetec pride themselves on rapid, powerful, and painless scheduling of field and technical support. We invite you to inquire about our bi-annual factory training held at the Tucker, GA-based manufacturing facility where they can learn from the 20+ year average industry experience of our Regional Management and Technical Team.

The Geotech Division

The Alchemy-Spetec Geotech Product Line offers industry-leading quality, full chemical grout lifting rig training and support, and unmatched contractor support in the field and with sales and marketing. Contact us today to learn about the tangible benefits of joining the Alchemy-Spetec network of geotech contractors. The Alchemy-Spetec MixMaster Pro Gun is a maintenance and production cost-saver for any lifting contractor, while the flagship lifting foams have helped many contractors reduce volume usage while eliminating call-backs. From the Polybadger machine that fits into a pickup truck, to custom boxtruck and trailer rig buildouts, Alchemy-Spetec is widely considered the premier geotechnical chemical grout & equipment supplier. With the additions of ground penetrating radar and penetrometer equipment and support, Alchemy-Spetec is truly on the cutting-edge of the chemical grouting industry.
