

POWERFUL POLYMERS
PAINLESS PROCEDURES
RAPID RESULTS

Steve Taylor

Southeast Regional Manager

Steve Taylor’s experience includes material installation, equipment operation, estimating, and field service training. Applications include slab lifting, soil stabilization, crack injection, curtain grouting, and seawall repair.

Before joining Alchemy-Spetec, Steve was General Manager at the geotech contracting firm Ground Consolidation Services. At GCS he supervised crew

members and managed customer relations for all of metro Atlanta. He has worked in the construction industry for many years.

Before GCS, Steve was a supervisor for a major home remodeling contractor. Steve is known for his responsive and considerate approach when working with customers. Early in his career, Steve spent time as an audio engineer in the film industry. He’s also a talented drummer. He lives in Marietta with his wife, son and daughter.

About Alchemy-Spetec

The Leak Seal Division

The Alchemy-Spetec Leak Seal Product Line combines a full-system offering of polymer chemical grouts and equipment with perhaps the most experienced technical team in the industry. For any concrete leak seal application, lean on the Alchemy-Spetec team for phone, field, or engineering support. Our growing network of Regional Managers, Independent Representation, and Nationwide Distribution offers industry professionals many levels of opportunity worth discussing with our team. Consultants at Alchemy-Spetec pride themselves on rapid, powerful, and painless scheduling of field and technical support. We invite you to inquire about our bi-annual factory training held at the Tucker, GA-based manufacturing facility where they can learn from the 20+ year average industry experience of our Regional Management and Technical Team.

The Geotech Division

The Alchemy-Spetec Geotech Product Line offers industry-leading quality, full chemical grout lifting rig training and support, and unmatched contractor support in the field and with sales and marketing. Contact us today to learn about the tangible benefits of joining the Alchemy-Spetec network of geotech contractors. The Alchemy-Spetec MixMaster Pro Gun is a maintenance and production cost-saver for any lifting contractor, while the flagship lifting foams have helped many contractors reduce volume usage while eliminating call-backs. From the Polybadger machine that fits into a pickup truck, to custom boxtruck and trailer rig buildouts, Alchemy-Spetec is widely considered the premier geotechnical chemical grout & equipment supplier. With the additions of ground penetrating radar and penetrometer equipment and support, Alchemy-Spetec is truly on the cutting-edge of the chemical grouting industry.
